

North American Casualty Group is a family of insurance and reinsurance companies with financial strength grounded in a commitment to excellence.

Together, our family of companies delivers nationwide insurance solutions with local knowledge and experience.

Our long-term financial strength is built on our values:

We don't outsource. We are leaders in our industry and uphold our reputation by keeping our operations in-house, never relying on third-party outsourcing as acceptable for our partners or to our standards.

We focus on the long game. We don't operate for the short term. When the economic environment isn't right, we don't chase.

We live our values. Trust, autonomy, and rational investing translate into our corporate culture and practices.

Our carriers are rated 'A' (Excellent) by AM Best.

Our carriers are rated 'A' (Excellent) by AM Best and are filed to offer property and casualty coverage throughout the U.S. and around the world, serving a customer-range from individual homeowners to a nationwide construction company with projects in multiple states.

Together with our Affiliates

Through Applied, we distribute solid coverage and services to hundreds of thousands of clients through the most innovative products available to date.
